ONE TO ONE PARENTING

IN THE PRIVACY OF YOUR OWN HOME OR SOCIAL NETWORK

Home Tutoring Parenting Courses (Certified)

Have you ever thought of doing a parenting course but can't get out due to heavy responsibilities?

Are you willing to learn but have anxiety about returning to learning?

Would you like to gain additional knowledge about parenting in the 21st century?

Well; this course is designed and tailored to your every need. As a Communiversity Academy we provide structured lessons, study plans and professional development in: **teenage growth, childhood development, parenting styles, disruptive behaviours, special needs, sleeping patterns, eating habits, education, social learning, mental health, learning disorders, families, relationships and much more.....**

£35 @ 1½ hours (6 weeks – 11 weeks – 21 weeks)

£100 @ 1½ hours (group session 3-4 persons only)

Make that change for 2019 by investing in yourself and your family. For more information check out our website for the latest information and updates on Positive Parenting in the 21st Century.
